Re: Twin County Grocers
WINSTON $.40/$4.00 Product Return Goods

Dear Dawn:

As discussed on 8/17, please have someone call on Twin County Grocers, **as soon as possible**, to return all of the above product currently in their warehouse, as Twin County has refused to ship this product to the Foodtown stores.

Also, insure this product is prepared and shipped back to Winston-Salem as per instructions received in DM letter 90-G, dated 8/13/93. **As per instructions in DM letter, this product is to be returned to W/S by 8/27/93.**

Your assistance in this matter is appreciated.

Sincerely,

J. T. Jones
